

Let Your Glory Fall // Kari Jobe

Verse 1

**A longing stirs in my soul
Draws me near
Calls me close
Deeper into this love
That won't run out
Won't dry out
Oh, let it rain
Oh, let it rain**

Chorus 1

**Let Your glory fall
Overwhelm my soul
Let Your presence flood my life, oh Lord**

Verse 2

**Deep is calling to deep
Revival's tied, breaking free
Jesus, reign in this place
Thirsty we cry, heaven in vain**

Chorus 2

**Let Your glory fall
Overwhelm my soul
Let Your presence flood my life, oh Lord
Break upon me now
Let Your love crash down
Let Your glory fall
Let Your glory fall**
