

You Came To My Rescue // Christy Nockels

Verse 1

**Freedom is a song I sing
I can't contain the joy You bring
All because of Your great love
Now I live
I was dead but now I breathe
Awaken to Your grace so free
In the power of Your cross
Now I live**

Pre Chorus

**Salvation, my freedom
You gave Your all for me
Forever
You made a way for me**

Chorus

**You came to my rescue
You came to my rescue
Callin' on Your name
Callin' on Your name
Love came down**

Verse 2

**You're the light
In the darkest night
You lead me through
The storm and fire
When all around my hope gives way
You're my rock
You taught me how to sing Your song
You've overwhelmed me with Your love
You set my feet to dancin' now
You're my God**
