### **Verse 1**

**Just one touch  
And everything changes, everything changes  
With one word  
The world rearranges, the world rearranges**

### **Verse 2**

**By one life  
Death was defeated, death was defeated  
And this one love  
Has paid for my freedom, paid for my freedom**

**No other hope, No other love  
My one, my all  
Jesus  
No other God, No one above  
You're all I want  
Jesus**

### **Verse 3**

**This one King  
Healer and Savior, my Healer and Savior  
There's none like  
The Miracle Maker, You're the Miracle Maker**

### **Bridge**

**Nothing and no one compares to You God  
There's no one like You  
There's no one like You  
Nothing and no one compares to You God  
There's no one like You  
There's no one like You**
